Saybia

Vers 1

Male:

Please tell me why do birds
Sing when you're near me
Sing when you're close to me?

Female 1&2:

I'm just a fool
loving you
secretly, secretly

They say that I'm a fool
For loving you deeply
Loving you secretly

Chorus

All:

But I crash in my mind whenever you are near
Getting deaf, dumb and blind just drowning in despair
I am lost in your flame it's burning like the sun
And I call out your name the moment you are gone

Vers 2

Please tell me why can't I
Breathe when you're near me
Breathe when you're close to me

In loving you deeply
Loving you secretly
Secretly

You know I'm lost
loving you

Getting deaf, dumb and blind just drowning in despair
