

# Uprising

Korudgave

B/T: Dun dun dun du da, dun dun du da du da  
dun dun dun du da, dun dun da dun da dun

S/A/T: Uh, ah, uh, ah, hu wap

B/T: Paranoia is in bloom, The PR  
transmissions will resume, They'll try to  
push drugs that keep us all dumbed down  
And hope that we will never see the truth around  
(So come on)

S/A: Another promise, another scene, Another  
packaged lie to keep us trapped in greed, And all the  
green belts wrapped around our minds  
And endless red tape to keep the truth confined  
So come on, come on, come on

S/A/T/B: They will not force us  
They will stop degrading us  
They will not control us  
We will be victorious  
So come on

Dun dun dun du da....  
Du weh wa du weh...  
They're interchanging mind control, Come, let the  
revolution take its toll, If you could  
flick the switch and open your third eye  
You'd see that we should never be afraid to die  
So come on

Rise up and take the power back  
It's time the fat cats had a heart attack  
You know that their time's coming to an end  
We have to unify and watch our flag ascend  
So come on, come on, come on

Omkvæd x 2  
come on, come on, come on, come on, come on.
