

Bring me to life

Solo/S+A: How can you see into my eyes
Like open doors?
Leading you down into my core
Where I've become so numb

(Ohh) Without a soul, my spirit's sleeping somewhere cold
Until you find it there and lead it back home

Omkvæd

(Wake me up) wake me up inside
(I can't wake up) wake me up inside
(Save me) call my name and **save me from the** dark
(Wake me up) bid my blood to run
(I can't wake up) before I come undone
(Save me) save me from the **nothing I've become**

T+B: Now that I know what I'm without
S+A: You can't just leave me
Breathe (breathe) into me and make me real (make me real)
Bring me to life

Omkvæd (Wake me up) wake me up inside...
Bring me to life

T+B: I've been livin' a lie
S+A: There's nothing inside
Bring me to life - ohhh

Frozen inside, Without your touch
Without your love, darling
Only you are the life, Among the dead

T+B: All this time, I can't believe I couldn't see
Kept in the dark, but you were there in front of me
S+A: I've been sleeping a thousand years, it seems
Got to open my eyes to everything
T+B: Without a thought, without a voice, without a soul
Don't let me die here
S+A: There must be something more
Bring me to life

Omkvæd (Wake me up) wake me up inside...
Bring me to life
I've been living a lie, There's nothing inside
Bring me to life
