

# Firework

Katy Perry

Vers 1

Do you ever feel like a plastic bag  
Drifting through the wind, wanting to start again?  
Do you ever feel, feel so paper thin  
Like a house of cards, one blow from cavin' in?  
Do you ever feel already buried deep?  
Six feet under screams, but no one seems to hear a thing  
Do you know that there's still a chance for you?  
'Cause there's a spark in you

B

You just gotta ignite the light  
And let it shine  
Just own the night  
Like the Fourth of July

Omkv.

'Cause baby, you're a firework  
Come on, show 'em what you're worth  
Make 'em go, "Oh, oh, oh"  
As you shoot across the sky  
Baby, you're a firework  
Come on, let your colors burst  
Make 'em go, "Oh, oh, oh"  
You're gonna leave 'em all in awe, awe, awe

Vers 2

You don't have to feel like a waste of space  
You're original, cannot be replaced  
If you only knew what the future holds  
After a hurricane comes a rainbow  
Maybe a reason why all the doors are closed  
So you could open one that leads you to the perfect road  
Like a lightning bolt, your heart will glow  
And when it's time, you'll know

**B** You just gotta ignite the light...

**Omkvæd** 'Cause baby, you're a firework...

C1

Boom, boom, boom  
Even brighter than the moon, moon, moon  
It's always been inside of you, you, you  
And now it's time to let it through

**Omkvæd** 'Cause baby, you're a firework...

C2

Boom, boom, boom  
Even brighter than the moon, moon, moon  
Boom, boom, boom  
Even brighter than the moon, moon, moon
